

ATTENTION:

**ARE YOU A WOMAN
DIAGNOSED WITH A
BLEEDING DISORDER?**

(Moderate or Severe Hemophilia A and B,
Type 2 or Type 3 von Willebrand's Disease,
Factor II, V, VII, X, XI, XIII and
Fibrinogen Deficiencies)

I am conducting research in partial fulfillment of my doctorate in social work at New York University on women with bleeding disorders.

I am interested in exploring how of living with a moderate or severe bleeding disorder since birth affects different aspects of women's lives.

As part of the study, you will be asked to participate in an in-person interview with a possible follow-up telephone interview.

You will be offered \$35.00 for participation.

Open to women ages 18 and over.
